Day 3 – Morning and afternoon safari, Bandhavgarh

Bandhavgarh has an impressive setting with a stunning cliff-top fort overlooking grasslands, birch forests and bamboo that provide cover for the plentiful indigenous wildlife. In common with many other parks, Bandhavgarh is home to a wide variety of mammals including leopard, sloth bear, gaur, sambar, chital, jungle cat, wild pig and of course the Bengal Tigers. The Tiger density is very high in Bandhavgarh giving us very good opportunity to photograph Tigers in the wild. During our stay in this beautiful rugged national park the itinerary includes 9 Jeep Safaris

Day 4 - Morning and afternoon safari, Bandhavgarh

Similar to Day 3, today includes two more exciting safaris in Bandhavgarh National Park. While the elusive Bengal tiger remains a highlight, we'll also be on the lookout for a wide range of wildlife — from leopards and deer to colorful birdlife and more. There's so much to discover in this richly diverse landscape!

Day 5 – Morning safari and "free" afternoon

This morning, we will have our fifth safari in the park while the afternoon is free to do as you please. Needing a much deserved rest, the park is closed on Wednesday afternoon. Among the options we have open to us during our break is to either relax by the pool, visit the local Tala town and its market or even a nature walk around the lodge focusing on birding and other creatures that we find.

Accommodation: Natural Heritage Resort, Bandhavgarh

Activities: Morning safari and free afternoon

Meals: Breakfast, Lunch and Dinner

Day 6 - Morning and afternoon safari, Bandhavgarh

Another two safaris looking for the iconic Bengal tiger, and hoping to encounter leopards, sloth bears, jackals, wild boars, and Indian bison (gaur).

The park's dense forests and open meadows also support a rich population of spotted deer, sambar, and barking deer.

Birdwatchers will find plenty to admire too, with over 250 species recorded, including hornbills, eagles, kingfishers, and paradise flycatchers. Reptiles such as monitor lizards and pythons can also be spotted, adding to the park's rich biodiversity.
